

QUESTIONS?

Please make sure you have read all of the graduate advising documents on my graduate advising webpage. Attempts have been made to provide the information you need and address common questions and concerns in these documents. If you have any questions that have not been answered in these documents, you should email the graduate advisor, Dr. Cristina Sánchez-Conejero, at Cristina.Sanchez-Conejero@unt.edu with “Questions for graduate advisor” in the subject line. She will get back to you as soon as possible. Please note that for the sake of efficiency and in order to avoid misunderstandings or inconsistencies in communication, all communication with students regarding official matters is handled via email.
